

Dear Colleagues:

Governor Huntsman has requested that I organize a Blue Ribbon Advisory Council on Climate Change to review the science on climate change and to evaluate potential policy options. Your participation on the Council is specifically requested

The first meeting will be held August 25th at 8 AM in the Governor's Board Room. Governor Huntsman will be there to welcome everyone and discuss the purpose of the Council. Your contribution to this effort will be of great significance as we set forth to address climate change concerns.

I wish to extend a special thanks to Mayor Corroon for his effort in putting this issue at the forefront and working with the Governor's Office to organize this initiative.

Please submit your RSVP for this meeting to my assistant, Cherie Anderson, at [cheralynanderson@utah.gov](mailto:cheralynanderson@utah.gov). She can also be reached in her office at 801-538-8652. Additionally, I am happy to answer any questions you may have regarding the Council prior to this first meeting and can be reached via email or by phone at 801-538-8802. Please note that an agenda will be distributed in advance of the meeting, but your ideas on this process and future steps of the Council will be greatly appreciated.

Thank you in advance for your willingness to participate in this important initiative. I look forward to seeing you on the 25th.

Best regards,

Laura Nelson
